(c) *Definitions.* For the purpose of this section:

(1) The term *motor vehicle* shall mean any automobile, truck, truck-tractor, trailer, semitrailer, motorcycle, or similar vehicle propelled or drawn by mechanical power and designed for use as a means of transportation but shall not include any vehicle operated exclusively on rails.

(2) The term *driver* shall mean any individual who, in the course of employment, drives a motor vehicle at any time.

(3) The term *outside helper* shall mean any individual, other than a driver, whose work includes riding on a motor vehicle outside the cab for the purpose of assisting in transporting or delivering goods.

(4) The term *gross vehicle weight* includes the truck chassis with lubricants, water and a full tank or tanks of fuel, plus the weight of the cab or driver's compartment, body and special chassis and body equipment, and payload.

(5) The term *occasional and incidental* means no more than one-third of an employee's worktime in any workday and no more than 20 percent of an employee's worktime in any workweek.

(6) The term *urgent, time-sensitive deliveries* means trips which, because of such factors as customer satisfaction, the rapid deterioration of the quality or change in temperature of the product, and/or economic incentives, are subject to time-lines, schedules, and/or turn-around times which might impel the driver to hurry in the completion of the delivery. Prohibited trips would include, but are not limited to, the delivery of pizzas and prepared foods to the customer; the delivery of materials under a deadline (such as deposits to a bank at closing); and the shuttling of passengers to and from transportation depots to meet transport schedules. *Urgent, time-sensitive deliveries* would not depend on the delivery's points of origin and termination, and would include the delivery of people and things to the employer's place of business as well as from that business to some other location.
