Please read the following instructions carefully prior to filling out your application/affidavit. These instructions refer to the information requested on pages 1,2,3 and 4.

PAGE 1, SECTION 1: GENERAL INFORMATION ABOUT YOUR BUSINESS (CURRENT & PREVIOUS)

This Section is to be used by you to supply the Licensing Board with general information concerning your business.

Will you start working in West Virginia within ninety (90) days?:

This means within ninety (90) days from the date your license application is submitted to the Contractor Licensing Board.

Current or anticipated number of employees working in West Virginia:

Only list current or anticipated employees in West Virginia. Do not list employees working for you in another state.

PAGE 1, SECTION 2: INFORMATION CONCERNING OTHER AGENCIES

In this Section, list the account numbers requested on the form which apply to your business.

The first number is your **Federal Employer Identification Number**.

The second number is your **WV Business Registration Tax Number**, which is obtained from the West Virginia State Tax Department. **(304) 558-3333**. (Must submit a current **Letter of Good Standing**)

The third number is your Unemployment Compensation Number. If you employ a West Virginia resident, this number must be assigned to your business by Workforce West Virginia's Unemployment Compensation Division **(304) 558-2624**. If you do not have any employees, mark **"No Employees"** in the space provided. If **ALL** of your current or anticipated employees who will be working in WV reside out-of-state, submit proof of coverage from your state with this application/affidavit.

The fourth number is your **Workers' Compensation Policy Number**. State law requires employers to obtain Workers' Compensation coverage for employees in the event of a workplace injury. If you employ one person in West Virginia you are required by law to obtain Workers' Compensation Insurance. If you do not have any employees, write **"No Employees"** in the space provided.

ELECTION: The Workers' Compensation Act requires that wages be reported and premiums paid for sole proprietors, partners in a partnership and corporate officers, including Board of Director members. The employer may elect to not report these wages and not provide the benefits and protections of the Workers' Compensation Act for these persons, but failure to inform the Office of the West Virginia Insurance Commissioner of this election makes the employer liable.

EXTRA-TERRITORIAL COVERAGE: Certain out-of-state employers who have their permanent employees working in West Virginia only temporarily and who meet other legal tests may be exempt from the requirement to obtain Workers' Compensation Insurance coverage from an insurer licensed in this state. ("**Temporarily**" means working no more than thirty (30) days within a three hundred sixty five (365) day period)

Employers must apply directly to a private carrier for this insurance coverage. Workers' Compensation Insurance is available from insurers licensed in this state to provide such coverage.

For information regarding available insurers or possible exemptions, contact the **Office of the West Virginia Insurance Commissioner** at **(304) 558-6279**.

PAGE 1, SECTION 3: WAGE BOND INFORMATION

A wage bond is required in West Virginia for a contractor who has not been actively and actually engaged in construction work in West Virginia, **with employees**, for at least one (1) year preceding the completion date of this application/affidavit. If an employer meets one of the following, they are exempt from the requirements of this sub-section:

- (1) Has been in business in another state for at least five years;
- (2) Has at least \$100,000 in assets; or
- (3) Is a subsidiary of a parent company that has been in business for at least five years.

A wage bond is **NOT** required for a contractor who only performs residential (**Single Family Dwelling**) work.

This bond is equal to the total of four (4) weeks gross payroll at full capacity or production, plus fifteen (15%) percent for benefits.

If this section does not apply to you, simply mark the **"NOT APPLICABLE"** box. If this section does apply to you, mark the **"APPLICABLE"** box and answer the other questions in this section.

If you are required to obtain a wage bond or need further information about being exempt, please contact the West Virginia Division of Labor at (304) 558-7890 or send an email to WageandHour@wv.gov.

The wage bond affidavit MUST be completed and notarized regardless if you are posting a bond or not. This form must be submitted with the application/affidavit.

Wage Bond Status Reporting

A company that's engaged in construction, mining, or the transportation of minerals within the state of West Virginia must register with the Division of Labor concerning its wage bond status. The completion of a "Wage Bond Status Affidavit" allows a company to register with the Division of Labor by claiming a wage bond exemption, or to declare the number of employees working in West Virginia and the amount of bond required.

Exemptions

Not all companies must post a wage bond. Any company that qualifies for one of the exemptions stated below may claim that exemption by submitting a completed "Status Affidavit". *Please note that some exemptions require additional evidence to verify that the company qualifies for the exemption, while others do not. The exemptions listed on the front of the affidavit that may require additional evidence are marked with an asterisk *.*

Exemptions that DO NOT require additional evidence or verification to qualify include:

- Companies that have been in business in West Virginia, with employees, for a period of at least one (1) year and have reported employee wages to an unemployment account registered with WorkForce West Virginia within that same year.
- Companies that do not have employees physically working in West Virginia.
- Companies that are engaged solely in the construction of single family dwellings and/or family farming enterprises.
- Companies that are a subsidiary of a parent company that is registered with the Division as exempt.
- Out-of-state companies that have maintained one or more of the following licenses or registrations for a period of at least five years.
 - A West Virginia Contractor License.
 - A Business Registration Certificate with the West Virginia State Tax Department.
 - A Corporate Registration with the West Virginia Secretary of State.

Exemptions that MAY require additional evidence or verification to qualify include:

- Companies that have been in business in another state for 5 years but do not hold any of the above stated registrations or licenses MUST attach evidence to verify business activity within another state.
- Companies that have been working in West Virginia, with employees, for a period of 1 year that do not have a WorkForce West Virginia unemployment account must submit additional evidence to verify employee activity in this state.
- Companies that choose to claim the exemption for \$100,000.00 in available assets MUST submit evidence to support the exemption.

Industry Specific Determinations/Exemptions

Companies that wish to obtain an opinion from the Division of Labor that the nature of their work does not fall within the definitions of construction, mining, or the transportation of minerals as defined in §21-5-1 may apply for an exemption by completing a Status Affidavit and checking the box titled as: **"Not Applicable ✓"**. All such requests require a complete description or scope of work that's being performed.

Bond Required

Companies that do not qualify for a wage bond exemption and have employees working in West Virginia must post a wage bond with the Division of Labor in the amount of 4 weeks' payroll, plus an additional 15%, at maximum productivity. A completed Status Affidavit must accompany all new wage bonds submitted.

The Division of Labor processes your personal information for appropriate and customary business purposes. Your personal information may be disclosed to other State agencies or third parties in the normal course of business as needed to comply with State or Federal laws.
